

## ENVIRONMENTAL POLICY

### Aim

Cats Construction is committed to conducting our business in an environmentally aware and responsible manner. We seek the co-operation of our workers and business partners in ensuring our organisational practices are conducted with minimal environmental impact.

### Objective

To work with workers, contractors, visitors and business partners to achieve compatibility between economic development and the maintenance of the environment to minimise harm.

### Policy

Cats Construction will endeavour to minimise impact on the following:

- Atmospheric emissions
- Site contamination and spills
- Noise Emission
- Damage to flora and fauna
- Storm water management
- Unnecessary energy consumption

To fulfil this commitment, Cats Construction, will observe all environment laws and promote environmental awareness among all workers to increase understanding of environmental matters.

Cats Construction will actively take part in the following:

- Assess Eco-footprint to identify environmental impacts and move towards more sustainable practices
- Identify waste streams and options for effective waste management
- Improve purchasing (buy recycled materials, reduce waste, use less harmful/volatile chemicals)
- Improve storage (reduce quantity, waste and spills, Reduce odours by keeping containers closed)
- Conserve energy (eco-friendly lights, turn lights off, emergency efficient equipment, greener fuel sources –such as LPG and methane).
- Conserve water (install water saving accessories, repair leaks)
- Preserve water ways (clearly mark and protect storm water drains)
- Emergency planning and spill response
- Seek appropriate licenses/permits from State Environmental Protection Agencies and other relevant Authorities.
- Improve education/awareness
- Notify relevant authority in the event of a major environmental impact.

A handwritten signature in black ink, appearing to be 'J. L. ...', is written over a horizontal line.
